Final reflective prompts

1. Which three pieces of evidence best demonstrate your development across the course, and why?
2. Which principle or professional assumption changed most during the course?
3. Which subject requires further reading, specialist advice or supervised practice?
4. What action will you take within 30 days, and what evidence will demonstrate completion?

FINAL LEARNER EVIDENCE CHECK

- ☐ All 15 lecture activities are complete and correctly named.
- ☐ Every submission addresses the stated task and required format.
- ☐ Claims and recommendations rely on authoritative, current and traceable sources.
- ☐ Quotations, paraphrases, data and external ideas are acknowledged.
- ☐ Feedback and any corrections or resubmissions are retained.
- ☐ No privileged, confidential or personal information is disclosed.
- ☐ The final assessment has been completed and the required 70% standard achieved.

Learner declaration

I confirm that the submitted work is my own, all sources and permitted assistance have been acknowledged, and no privileged, confidential or personal information has been disclosed.

Learner name: _____

Registration number: _____

Date: _____

Signature or electronic confirmation: _____

Tutor and LMS implementation checklist

- ☐ Map each activity to the approved learning outcomes and learning-hour statement.
- ☐ Upload each lecture presentation, learning guide, source links, activity submission and knowledge check in sequence.
- ☐ Apply completion rules, due dates, accessibility arrangements and feedback or resubmission settings.
- ☐ Retain learner submissions, results, feedback and course-completion records.
- ☐ Provide the accreditation reviewer with a complete learner-view demonstration account.
